1. Action. None; for your information.

2. Background. [redacted] Chief of the International Finance Branch, has been invited by Norman Bailey to participate in an NSC-sponsored Presidential briefing. The briefing, in two 45-minute sessions tentatively scheduled on 25 April and 3 May, is to acquaint the President with the magnitude and causes of the debt-related financial problems facing the Third World and East European nations, describe US policy interests, assess the mechanisms being set up to address financial problems, and warn of possible future difficulties over the next several years. [redacted] will share briefing responsibilities with Mr. Bailey and Roger Robinson of the NSC. The Office of Global Issues is supplying the outline and substantive data for the briefing; the Graphics Design Center of the Office of Current Production and Analytical Support produced slides and briefing boards.
